

## LATIFA SCHOOL FOR GIRLS (Primary)

### Vetting Policy

Latifa School for Girls is a local school for national girls, whose religion is Islam – it is this fact which guides our vetting. All teaching staff operate the following procedure in order to ensure that pupils are not presented with offensive material. All staff need to be responsible for implementing this policy at all times. Inappropriate parts of text should be physically censored (see appendix) before the material can be used and all rejected resources must be given to the subject coordinator immediately. Any queries should be referred to line manager, in the first instance, who will then refer to Head of Primary if necessary.
